**EMBASSY OF THE REPUBLIC OF THE UNION OF MYANMAR Will Open Its
Doors during Passport DC's 12th Anniversary
Visit MYANMAR and Never Leave Washington!**

On Saturday, 4th May 2019, MYANMAR EMBASSY joins more than 75 other nations participating in [Passport DC](#), when it opens its doors during *Around the World Embassy Tour* beginning at 10 a.m.

Passport DC commemorates International Cultural Awareness Month in the District of Columbia. It runs from May 1 through 31 and offers an outstanding array of cultural activities presented at embassy open houses, street festivals, performing arts venues, museums, and special receptions throughout the District.

“Passport DC offers authentic learning opportunities for the thousands of people who attend these events. It’s a global buffet of arts and culture,” according to Steve Shulman, executive director of Cultural Tourism DC, the producing organization. “Visitors will find a tremendous selection of music, dance, art, handcrafts, and even some very tasty samples to eat and drink,” he said.

Participating for the first time in the Passport D.C, the Myanmar Embassy warmly welcomes metro-area residents and visitors to experience Myanmar: the people, culture and food. Myanmar is a country of multi ethnic and diverse cultures. A Country where boats are rowed by legs in the lake in the East, Bathers enjoy sun in the white powder sand beaches in the West and the beauty of snow-capped mountains in the North enchant the nature lovers and explorers.

Good opportunity awaits you to taste the exotic food, indigenous art, experience live cultural performances and a little take-away-gift to remember Myanmar! The attraction of the day is the photo corner with royal attire.

This is a friendship event that will offer you a lasting memory.

Around the World Embassy Tour Hours at Myanmar Embassy: 10 AM to 4 PM on 4th May, 2019.
